

As a business, there are a number of ways you can help us.

- 1 Encourage your staff to give as they earn. We are registered with **Charities Trust** and are on a number of platforms that facilitate this, including **YourCause**, **Benevity** and **CAF Donate**. Our Charity Commission number is 1162185.
- 2 Why not consider **match funding** your staff giving or volunteer hours? This can be done via Benevity or YourCause.
- 3 You could **sponsor a week's worth of food** for local families. Each week we support 300–400 households, with food costs of around £2,500. If you sponsor a week, we'll send you a report showing exactly how many households, individuals and children your gift supported that week.
- 4 If you have a **Charity of the Year**, we would be very interested in being put forward and building a relationship of ongoing support.
- 5 We do offer **corporate volunteering** days. Please reach out for more information or see our Corporate Volunteering page. We would love to see you onsite welcoming our guests and distributing food.
- 6 Although we purchase most of our food, we also gratefully accept **food donations**. You could hold a food drive to supplement the food we buy—especially helpful if you can arrange delivery to us. Please see our Collection Essentials on our website, so we can make sure we don't run out of the things our guests need most.
- 7 We are largely volunteer-run and have teams of people who help us with activities such as graphic design, transport, and data management (and more!) You could add your business to our list of people who offer **pro-bono or discounted services**.

Lastly, why not hold an event or take on a sponsored activity to help us raise funds? You can do this via our Local Giving Page:
localgiving.org/charity/bowfoodbank/

WE LOOK FORWARD TO HEARING FROM YOU! ❤️
